Dear Mr. Neiner and Members of the Stockton Bicycle Club:

Thank you very much for selecting Community Center for the Blind and Visually Impaired as one of the organizations to receive proceeds from the 2011 Delta Century. Your generous \$1,500.00 contribution will enable us to provide services to those whose vision impairments impede their ability to perform tasks of daily living. Our clients, staff and board of directors appreciate the time and energy the Stockton Bicycle Club invests in the Delta Century in order to contribute to worthy charitable organizations; we feel fortunate to be among the recipients.

As I'm certain you're aware, Community Center for the Blind and Visually Impaired will host the fourth Pedaling Paths to Independence on Saturday, February 25, 2012. The success of the first three events was due in large part to assistance from the Stockton Bicycle Club as a whole as well as individual members. We hope we may rely on you again next year.

Thank you very much, again, for your philanthropy. We look forward to your continued support.

Sincerely,

William H. Reynolds, President
Board of Directors
